RE: Credentialing & Privileging
Gwendolyn R. Martin, DO

Dear Dr. Boll,

It is my pleasure to recommend approval of the above referenced provider's application for medical/dental staff appointments based on the QA/QI Committee's recommendation and the review of her application and results of the credentialing verification process.

In addition, her request for medical/dental practice privileges were considered and found suitable support for granting the delineation of privileges as requested.

Please do not hesitate to contact me with questions or for further information.

Sincerely,

Ralph Kaiser, MD
Chairman
QA/QI Committee
